

00:00:00.000 --> 00:00:10.000

Let's get started with award study.

00:00:10.000 --> 00:00:17.200

All right, so you guys know the first drill is that you're going to see the word, and

00:00:17.200 --> 00:00:23.120

then we're going to start off by spelling it out, and then move on to kind of just saying

00:00:23.120 --> 00:00:24.120

them afterwards.

00:00:24.120 --> 00:00:25.840

So everyone, eyes up there.

00:00:25.840 --> 00:00:30.040

I'm waiting on everyone to show me if they are ready.

00:00:30.040 --> 00:00:30.040

00:00:30.000 --> 00:00:32.339

Let's see, Bentley, are you ready?

00:00:32.339 --> 00:00:34.019

And then also too, Isaac,

00:00:34.019 --> 00:00:36.079

I love how he got his sound phone out,

00:00:36.079 --> 00:00:39.539

but I can see that he's 100% participating also.

00:00:39.539 --> 00:00:40.579

So thank you.

00:00:40.579 --> 00:00:45.579

G-I-N-E-T, give.

00:00:46.079 --> 00:00:48.479

You guys need to wake up this morning.

00:00:48.479 --> 00:00:52.479

A-N-Y, Emmy.

00:00:52.479 --> 00:00:53.819

Awesome.

00:00:53.819 --> 00:00:58.819

Y-O-U-R, your.

00:00:58.819 --> 00:00:59.840

Y-O-U-R.

00:01:00.000 --> 00:01:10.579

W-A-Y-Y, T-A-T-R-E, there.

00:01:10.640 --> 00:01:14.420

Who can let me know what type of there this is?

00:01:14.479 --> 00:01:17.120

What type of there is this, Isaac?

00:01:17.180 --> 00:01:19.620

Give me one second, buddy.

00:01:19.680 --> 00:01:21.620

What kind of there is that?

00:01:21.680 --> 00:01:26.819

This there is like a place there.

00:01:26.899 --> 00:01:29.059

Yeah, it's like if you were going to a place.

00:01:29.059 --> 00:01:29.620

Yeah, it's like if you were going to a place.

00:01:30.000 --> 00:01:36.059

use this there in a sentence. Let's use a girl. I'm gonna have Peyton. Peyton, can

00:01:36.059 --> 00:01:48.299

you share your sentence using this there? Can we go over there? Awesome. All right, let's go on.

00:01:48.299 --> 00:01:57.840

Let's move on to the next word. B-E-E-N-F. Great job, friends.

00:01:57.840 --> 00:02:21.840

Oh, say, can you see, by the dawn's early light. What so proudly we hailed at the twilight's last gleaming. Whose broad stripes and bright stars through the perilous fight. O'er the ramparts we watched, were so gallantly streaming. And the rocket's red glare, the bombs bursting in air. Gave proof through the night that our flag was still there. Oh, say, does that star-spangled banner yet wave. O'er the land of the free and the home of the brave.

00:02:00.000 --> 00:02:02.000

S-A-Y-S-A.

00:02:02.000 --> 00:02:07.000

All right, let's just go ahead and just say the words now.

00:02:07.000 --> 00:02:14.000

Some, sure, new, much, great, know, once, always.

00:02:14.000 --> 00:02:15.000

What's this word?

00:02:15.000 --> 00:02:16.000

Always.

00:02:16.000 --> 00:02:18.000

All right, making sure we're speaking up.

00:02:18.000 --> 00:02:19.000

Word.

00:02:19.000 --> 00:02:20.000

What's this word?

00:02:20.000 --> 00:02:21.000

Word.

00:02:21.000 --> 00:02:22.000

What's this word?

00:02:22.000 --> 00:02:23.000

Word.

00:02:23.000 --> 00:02:24.000

All right, let's just go ahead and say it.

00:02:24.000 --> 00:02:27.000

Some, sure, new, much, great, know, once, always.

00:02:27.000 --> 00:02:28.000

What's this word?

00:02:28.000 --> 00:02:29.000

Always.

00:02:29.000 --> 00:02:30.000

Word.

00:02:30.000 --> 00:02:31.000

What's this word?

00:02:31.000 --> 00:02:32.000

Always.

00:02:32.000 --> 00:02:32.000

00:02:30.000 --> 00:02:30.839

What's this one?

00:02:30.839 --> 00:02:35.840

Were, whose, only, knew, said,

00:02:36.920 --> 00:02:41.279

could, would, should, why.

00:02:41.279 --> 00:02:43.340

All right, I'm gonna wait until everyone

00:02:43.340 --> 00:02:44.180

has their pointer up,

00:02:44.180 --> 00:02:46.040

because I see some friends don't have their pointer up.

00:02:46.040 --> 00:02:46.879

Thank you.

00:02:47.799 --> 00:02:52.799

Through, other, against, move, both, though,

00:02:54.319 --> 00:02:55.319

because.

00:02:55.319 --> 00:02:56.159

What's this one?

00:02:56.159 --> 00:02:57.360
Dog.

00:02:57.360 --> 00:02:58.319
What's this one?

00:02:58.319 --> 00:02:59.159
Dog.

00:02:59.159 --> 00:03:00.000
This is a.

00:03:00.000 --> 00:03:01.399
One, two, three, eyes on me.

00:03:01.399 --> 00:03:04.199
One, two, eyes on you.

00:03:04.199 --> 00:03:05.500
Though.

00:03:05.500 --> 00:03:06.340
Say it.

00:03:06.340 --> 00:03:07.159
Though.

00:03:07.159 --> 00:03:08.000
Say it three times.

00:03:08.000 --> 00:03:09.760
Though, though, though.

00:03:09.760 --> 00:03:10.600
Awesome.

00:03:10.600 --> 00:03:11.739
So, Laisha, what's that word?

00:03:11.739 --> 00:03:12.560
Though.

00:03:12.560 --> 00:03:13.699
All right, everyone.

00:03:13.699 --> 00:03:14.859
Because.

00:03:14.859 --> 00:03:15.899
What's this one, friends?

00:03:15.899 --> 00:03:17.600
Because.

00:03:17.600 --> 00:03:18.899
Thought.

00:03:18.899 --> 00:03:20.299
Say this one three times.

00:03:20.299 --> 00:03:22.100
Thought, thought, thought.

00:03:22.100 --> 00:03:24.000
All right, remember, though and thought,

00:03:24.000 --> 00:03:26.200
even though they look alike,

00:03:26.200 --> 00:03:28.159
but they're pronounced just slightly different,

00:03:28.159 --> 00:03:29.340
so just remember that.

00:03:30.000 --> 00:03:34.800
Enough, across, above.

00:03:34.800 --> 00:03:36.340
Awesome, all right.

00:03:36.340 --> 00:03:40.239
I want everyone to have their scissors out and ready to go.

00:03:40.239 --> 00:03:43.579
So, because now we're going to do our sounds.

00:03:43.579 --> 00:03:46.440
All right, everyone has their scissors ready?

00:03:46.440 --> 00:03:49.180
All right, so, let's do our sounds.

00:03:49.180 --> 00:03:54.180
E, ch, ch, O, I, A, E, E, O, A, E, O, A, E, O, A,

00:04:00.000 --> 00:04:06.239
Oh, er, ah, or, ow.

00:04:06.300 --> 00:04:07.400
What's this one, friends?

00:04:07.480 --> 00:04:08.479
Ow.

00:04:08.539 --> 00:04:09.979
All right, making sure we're waking up

00:04:10.039 --> 00:04:13.539
because I don't hear, I only hear maybe Isaac

00:04:13.619 --> 00:04:15.119
and just a couple other friends,

00:04:15.180 --> 00:04:17.040
so making sure we're speaking up.

00:04:17.120 --> 00:04:18.120
What's this?

00:04:18.180 --> 00:04:20.120
Ow, or.

00:04:20.180 --> 00:04:21.879

Where do we see this sound in?

00:04:21.959 --> 00:04:23.360

What word do we see the sound in?

00:04:23.420 --> 00:04:24.920

Toy.

00:04:25.000 --> 00:04:26.000

All right.

00:04:26.059 --> 00:04:27.860

Ow.

00:04:27.920 --> 00:04:29.219

Oh, what's this sound again?

00:04:29.219 --> 00:04:30.219

Oh.

00:04:30.000 --> 00:04:31.000

Say it three times.

00:04:31.000 --> 00:04:32.500

Oh, oh, oh.

00:04:32.500 --> 00:04:35.000

And what word do we see this sound in?

00:04:35.000 --> 00:04:36.000

Snow.

00:04:36.000 --> 00:04:37.500

Oh, I said I mixed it up.

00:04:37.500 --> 00:04:39.000

What sound do we see this word in?

00:04:39.000 --> 00:04:40.000

My bad.

00:04:40.000 --> 00:04:42.500

So what sound do we see this word in?

00:04:42.500 --> 00:04:43.500

Snow.

00:04:43.500 --> 00:04:44.500

Awesome.

00:04:44.500 --> 00:04:45.500

So say it three more times.

00:04:45.500 --> 00:04:48.000

Snow, snow, snow.

00:04:48.000 --> 00:04:49.500

Say the sound three more times.

00:04:49.500 --> 00:04:51.500

Oh, oh, oh.

00:04:51.500 --> 00:04:53.000

Say the sound three more times.

00:04:53.000 --> 00:04:55.000

Now, hey, one, two, three eyes on me.

00:04:55.000 --> 00:04:57.000

One, two, eyes on you.

00:04:57.000 --> 00:04:59.000

I do see that some friends don't have their eyes on me,

00:04:59.000 --> 00:05:01.000

but every single one of them does.

00:05:00.000 --> 00:05:04.960

day I tell you or I remind you guys that if your eyes are up there you don't know

00:05:04.960 --> 00:05:09.340

what you're saying so making sure your eyes unless I say to put them on me

00:05:09.340 --> 00:05:15.239

making sure your eyes are up at the board so what's the sound awesome and I

00:05:15.239 --> 00:05:18.360

will wait until everyone has their scissors out maybe I need to start

00:05:18.360 --> 00:05:22.520

putting down names or giving myself points because I am having to remind

00:05:22.520 --> 00:05:26.360

friends of some expectations

00:05:30.000 --> 00:05:31.000

What's the sound?

00:05:31.080 --> 00:05:39.680

O-O-I-V-P-R-O-V-D.

00:05:39.760 --> 00:05:41.760

F-F-M.

00:05:41.840 --> 00:05:42.840

What's the sound?

00:05:42.920 --> 00:05:43.920

M.

00:05:44.000 --> 00:05:46.600

Awesome, I didn't hear anyone pronounce the B.

00:05:46.680 --> 00:05:48.299

M.

00:05:48.379 --> 00:05:49.379

What's the sound?

00:05:49.459 --> 00:05:50.459

M.

00:05:50.559 --> 00:05:51.559

Say it three times.

00:05:51.639 --> 00:05:52.639
M-M-M.

00:05:52.719 --> 00:05:54.639
Noah, make sure you get your head up.

00:05:54.719 --> 00:05:55.719
W-R.

00:05:55.799 --> 00:05:56.799
Up.

00:05:56.879 --> 00:05:57.879
What's the sound, friends?

00:05:57.959 --> 00:05:58.959
R.

00:05:58.959 --> 00:06:00.000
Nope, not R.

00:06:00.000 --> 00:06:09.720
Err. Say err. Say it three times. Thank you. All right. So let's do some listen speak right.

00:06:09.720 --> 00:06:17.840
So go ahead get your whiteboards and markers out and ten nine eight seven six

00:06:17.840 --> 00:06:30.479
five four three two one

00:06:30.000 --> 00:06:41.079
All right, so yesterday we worked with the contraction using the word will.

00:06:41.079 --> 00:06:47.440
So I want you guys, we're going to practice that this morning before we learn a new contraction.

00:06:47.440 --> 00:06:53.200
So I want you guys to put maybe at the top of your whiteboards to kind of remind you

00:06:53.200 --> 00:06:58.639
what we're working with is maybe a plus sign and then put the word.

00:07:00.000 --> 00:07:04.920
yeah put the word will because I want to see if you guys remember what do you

00:07:04.920 --> 00:07:09.640
take off to make it a contraction. So I want you to go ahead put that at the top

00:07:09.640 --> 00:07:22.799
of your whiteboard and give me a marker up in the air. I see that Samira is

00:07:22.799 --> 00:07:31.479
ready. I see that Jeremiah is ready. Bentley's ready. Awesome.

00:07:30.000 --> 00:07:43.199
all right I'm looking around looking around all right so listen I'll say it

00:07:43.199 --> 00:07:51.239
write it like I'll go to the store I'll

00:07:51.659 --> 00:07:56.479
awesome lashes ready

00:07:56.479 --> 00:08:00.639
at least finishing up

00:08:00.000 --> 00:08:02.240
All right, it is on the board.

00:08:02.240 --> 00:08:03.680
Thank you for my teacher friend

00:08:03.680 --> 00:08:05.579
for writing that up there, beautiful job.

00:08:05.579 --> 00:08:08.180
And I like how she capitalized that I

00:08:08.180 --> 00:08:11.159
because we can't forget that I is a proper noun.

00:08:11.159 --> 00:08:13.560
So make sure your I is capitalized.

00:08:13.560 --> 00:08:16.520
So I'm coming around, if I tap you on the shoulder,

00:08:16.520 --> 00:08:18.520
make sure we get that I capitalized.

00:08:22.120 --> 00:08:24.299
All right, but make it look like,

00:08:24.299 --> 00:08:26.659
ooh, make it look like mine.

00:08:26.659 --> 00:08:28.059
That doesn't look like mine.

00:08:28.059 --> 00:08:30.200
All right, next word.

00:08:30.000 --> 00:08:45.000
listen you'll say it write it miss Jones might say you'll need to go to the store

00:08:45.000 --> 00:08:53.319
later to go get some milk you'll now I see that some friends are just putting a

00:08:53.319 --> 00:09:01.879
why just remember the contractions the word that we're cutting off we're not

00:09:00.000 --> 00:09:04.719
cutting off that first word. So think about that first word. What word is gonna

00:09:04.719 --> 00:09:09.119
go before the contraction or that apostrophe? I'm sending up a teacher

00:09:09.119 --> 00:09:14.239

friend but I want to see if you can try to figure that out. What word goes in

00:09:14.239 --> 00:09:23.520

this contraction? I see that Lizzie's got it, Keelan's got it, Noah's got it.

00:09:23.520 --> 00:09:31.340

Bentley I want you to look at that again. I want you to look at that again.

00:09:30.000 --> 00:09:34.739

Ariah's got it, Samirah's got it.

00:09:34.739 --> 00:09:35.739

Awesome!

00:09:35.739 --> 00:09:38.899

So I see that my teacher friend did a beautiful job.

00:09:38.899 --> 00:09:40.739

He put it up on the board.

00:09:40.739 --> 00:09:45.020

But remember friends, this is not being used for you to just copy.

00:09:45.020 --> 00:09:52.100

I need to see if you are trying or trying to just figure it out before my teacher friend

00:09:52.100 --> 00:09:54.899

goes to write it up there.

00:09:54.899 --> 00:09:55.899

Awesome!

00:09:55.899 --> 00:10:00.020

Kiana's ready, Grayson's ready, who else is ready?

00:10:00.000 --> 00:10:09.000

Keelan, okay, Keelan's not ready. Awesome. Okay, next one. Listen.

00:10:09.000 --> 00:10:16.000

Well. Well. Say it.

00:10:16.000 --> 00:10:17.000

Well.

00:10:17.000 --> 00:10:26.000

Write it. Like, we'll go to the park after you finish your homework. Well.

00:10:26.000 --> 00:10:29.000

Will you go write it for me?

00:10:29.000 --> 00:10:30.000

Awesome.

00:10:30.000 --> 00:10:38.420

I love how Charlie has that bubble. I like how Leisha has my eyes or eyes on me . Oh great job Parker

00:10:39.420 --> 00:10:41.420

well

00:10:41.819 --> 00:10:45.680

Like well go to the park after you finish your homework

00:10:50.100 --> 00:10:55.440

Awesome all right making sure your board looks like mine once it does give me a marker up in the air

00:10:56.260 --> 00:10:58.260

All right last one

00:11:00.000 --> 00:11:03.000

She'll. Say it.

00:11:03.000 --> 00:11:04.000

She'll.

00:11:04.000 --> 00:11:07.000

Write it.

00:11:07.000 --> 00:11:10.000

She'll need to go to the post office

00:11:10.000 --> 00:11:13.000

before she goes to work.

00:11:13.000 --> 00:11:14.000

She'll.

00:11:14.000 --> 00:11:16.000

Can you go write it?

00:11:16.000 --> 00:11:18.000

Awesome.

00:11:18.000 --> 00:11:21.000

Kiana's ready. Samira's ready.

00:11:21.000 --> 00:11:24.000

Parker's ready. Awesome job, friends.

00:11:24.000 --> 00:11:26.000

Isaac's ready, and he has eyes on me.

00:11:26.000 --> 00:11:28.000

Beautiful.

00:11:28.000 --> 00:11:30.000

Grayson's ready.

00:11:30.000 --> 00:11:41.800

Lacia's ready. See that Araya, she's working hard. Awesome.

00:11:41.800 --> 00:11:46.399

Making sure your board looks like mine. Once it does, just give me a marker up in the air.

00:11:46.399 --> 00:11:52.280

All right. I want some friends to now give me some sentences using these new or these

00:11:52.280 --> 00:11:59.879

contractions. So I actually, I have Jeremiah. So Jeremiah, can you choose one c

ontract?

00:12:00.000 --> 00:12:03.500

that we wrote up there to use in a sentence?

00:12:03.579 --> 00:12:05.579

We'll go to the park later.

00:12:05.639 --> 00:12:08.079

We'll go to the park later.

00:12:08.140 --> 00:12:09.979

Awesome job, Jeremiah.

00:12:10.039 --> 00:12:12.020

Jeremiah, I want you to phone a girl.

00:12:12.079 --> 00:12:13.020

Lizzie.

00:12:13.079 --> 00:12:14.359

All right, Lizzie.

00:12:14.420 --> 00:12:16.180

You're thinking of a sentence?

00:12:16.260 --> 00:12:17.260

All right.

00:12:17.319 --> 00:12:19.159

Can you share yours?

00:12:19.219 --> 00:12:20.920

I'll go to the store.

00:12:21.000 --> 00:12:23.319

I... Oh, can you say it a little bit?

00:12:23.399 --> 00:12:24.600

I'll go to the store.

00:12:24.659 --> 00:12:26.659

I'll go to the store.

00:12:26.739 --> 00:12:28.200

Awesome job, Lizzie.

00:12:28.200 --> 00:12:29.959

Go ahead and show me that you are...

00:12:30.000 --> 00:12:41.119

ready for your blending drill in 5, 4, 3, 2, 1, 0.

00:12:41.119 --> 00:12:42.760

All right, let's keep this going.

00:12:42.760 --> 00:12:46.639

So I'm going to choose Grayson.

00:12:46.639 --> 00:12:49.440

I want you to blend this first word for me.

00:12:49.440 --> 00:12:52.319
Give me one second.

00:12:52.319 --> 00:12:54.239
Night.

00:12:54.239 --> 00:12:54.879
Night.

00:12:54.879 --> 00:12:55.479
Awesome.

00:12:55.479 --> 00:12:56.559
Everyone.

00:12:56.559 --> 00:12:58.559
Night.

00:12:58.559 --> 00:12:59.600
Night.

00:12:59.600 --> 00:13:01.159
All right.

00:13:00.000 --> 00:13:04.239
All right, next friend, Ariaiah.

00:13:04.300 --> 00:13:09.539
Were I ck or wrinkle?

00:13:09.619 --> 00:13:11.520
I want you, okay, so I want you to,

00:13:11.579 --> 00:13:13.520
I love how you segmented it on your own,

00:13:13.579 --> 00:13:17.020
but try segmenting it based off what I have up there.

00:13:17.079 --> 00:13:19.760
So, Ariaiah, what's this first sound?

00:13:19.819 --> 00:13:20.959
Were.

00:13:21.020 --> 00:13:22.760
Not were.

00:13:22.819 --> 00:13:25.899
Remember what we worked with with these diphthongs

00:13:25.959 --> 00:13:29.659
is that one letter does not make a sound.

00:13:30.000 --> 00:13:32.000
We did it this morning.

00:13:32.000 --> 00:13:33.500
Er.

00:13:33.500 --> 00:13:36.000
Er, yeah.

00:13:36.000 --> 00:13:38.000

So then what's the sound?

00:13:38.000 --> 00:13:39.000

Ink.

00:13:39.000 --> 00:13:40.000

Ink.

00:13:40.000 --> 00:13:42.000

And then what's the last sound?

00:13:42.000 --> 00:13:43.000

Er.

00:13:43.000 --> 00:13:44.000

All right.

00:13:44.000 --> 00:13:46.000

So I want you to now try it on your own.

00:13:46.000 --> 00:13:50.000

Er, ink, er, wrinkle.

00:13:50.000 --> 00:13:51.000

Awesome.

00:13:51.000 --> 00:13:52.000

See how that's better?

00:13:52.000 --> 00:13:53.000

Is that better?

00:13:53.000 --> 00:13:55.000

All right, everyone.

00:13:55.000 --> 00:13:58.000

Er, ink, wrinkle.

00:13:58.000 --> 00:13:59.000

All right.

00:13:59.000 --> 00:14:00.000

How about this?

00:14:00.000 --> 00:14:03.420

little bit let's try that one again I hear some friends are rushing it so try

00:14:03.420 --> 00:14:16.840

it again in three two one awesome Keana I want you to do this next one awesome

00:14:16.840 --> 00:14:26.040

everyone all right and then let's just do the rest of these together so

00:14:30.000 --> 00:14:37.000

A-d-r-e-p-a-y, d-f-r-o-s-t, d-f-r-o-s-t.

00:14:37.000 --> 00:14:39.800

Awesome, making sure we're saying them out loud.

00:14:39.800 --> 00:14:47.799

P-r-o-j-e-c-t, p-r-o-j-e-c-t, l-o-m-m-a, l-o-m-m-a.

00:14:47.799 --> 00:14:50.399

All right, I want to ask a couple friends.

00:14:50.399 --> 00:14:52.899

Isaac, what's that ending sound again?

00:14:52.899 --> 00:14:53.799

M-m.

00:14:53.799 --> 00:14:56.899

M-m.

00:14:56.899 --> 00:14:58.399

All right, so how about this?

00:14:58.399 --> 00:15:01.399

I want to, Laysha, what's that?

00:15:00.000 --> 00:15:04.880

ending sound again? What's this ending sound, Parker? All right, how about this ?

00:15:04.880 --> 00:15:09.439

Try it one more time because I did hear friends add on that B. So try this word

00:15:09.439 --> 00:15:11.979

one last time, all right? Three, two, one.

00:15:11.979 --> 00:15:14.979

O-L-L-A-M.

00:15:14.979 --> 00:15:17.979

Awesome. Keeley, I want you to do this one on your own.

00:15:17.979 --> 00:15:20.979

P-E-R-S-N-O-T.

00:15:20.979 --> 00:15:21.979

Everyone.

00:15:21.979 --> 00:15:23.979

P-E-R-S-N-O-T.

00:15:23.979 --> 00:15:29.979

Awesome. All right, so this is our new sound introduction.

00:15:30.000 --> 00:15:36.320

So we are still working with contractions and so who can remind me

00:15:36.320 --> 00:15:42.119

what a contraction is or what it is used for? Who can remind me what a

00:15:42.119 --> 00:15:46.079

contraction is? All right how about this I want you to turn and talk to your

00:15:46.079 --> 00:15:51.479

table about it. What is a contraction and what do we use it for?

00:15:51.479 --> 00:15:58.079

Those are two letters take off the first two letters of the second word what a

00:15:58.079 --> 00:16:02.119
contraction and put them together.

00:16:00.000 --> 00:16:01.000
Awesome.

00:16:01.000 --> 00:16:04.000
We are going to continue to learn about contractions today,

00:16:04.000 --> 00:16:08.000
but today we are going to learn about a different one.

00:16:08.000 --> 00:16:13.000
And so right now I want you guys to go ahead and get your markers out,

00:16:13.000 --> 00:16:17.000
because in a little bit you're going to have to practice, too.

00:16:17.000 --> 00:16:22.000
I want you to write the two words, can and not.

00:16:22.000 --> 00:16:27.000
And in a little bit Ms. Jones will write that for you or show you how that would look.

00:16:27.000 --> 00:16:30.000
So on this side I want you to write,

00:16:30.000 --> 00:16:38.640
can and then not and give me a marker up when you have those two words written on

00:16:38.640 --> 00:16:46.440
your whiteboard. With the contraction or using the contraction of these two words

00:16:46.440 --> 00:16:51.920
we're going to look at the word not today and so in this contraction when

00:16:51.920 --> 00:16:59.559
you break the word not up remember we keep the first word so I'm going to keep

00:16:59.559 --> 00:17:02.119
my word

00:17:00.000 --> 00:17:11.560
can, but then with the contraction of not, I'm actually going to take out that N and

00:17:11.560 --> 00:17:19.000
O and add the apostrophe and just add that T onto the end.

00:17:19.000 --> 00:17:29.819
So I want you to now do your contraction for can not, and that changes it to the word can't.

00:17:29.819 --> 00:17:30.819
All right.

00:17:30.819 --> 00:17:30.819

00:17:30.000 --> 00:17:40.319

want you guys to do that right now on your whiteboard. Give me a marker up

00:17:40.319 --> 00:17:44.720

once you have what I have up there on my board.

00:17:44.720 --> 00:17:52.120

Keelan's ready. Parker, can I get eyes? Awesome. Laisha's ready. Alright and then

00:17:52.120 --> 00:17:59.120

now we're gonna take some time to practice using this contraction. And so

00:17:59.120 --> 00:18:01.799

Rolf

00:18:00.000 --> 00:18:04.000

We're going to do, we're going to look at some examples, okay you guys?

00:18:04.000 --> 00:18:07.000

So how about this, we're going to do our rapid read.

00:18:07.000 --> 00:18:10.000

So I want you to go ahead and put your marker down for now.

00:18:10.000 --> 00:18:13.000

In 3, 2, 1.

00:18:13.000 --> 00:18:17.000

And then I also just want you to take a couple of seconds just to look up there .

00:18:17.000 --> 00:18:19.000

What words do you see?

00:18:19.000 --> 00:18:21.000

Do you see some you don't know?

00:18:21.000 --> 00:18:26.000

And if you don't know them, can you segment them out in your head?

00:18:26.000 --> 00:18:30.000

Because in a little bit I will ask you to repeat after me.

00:18:30.000 --> 00:18:35.340

read the lines up there. So making sure your eyes are up on the board and you're

00:18:35.340 --> 00:18:39.840

just kind of looking at them because in a little bit but let's do that silently .

00:18:39.840 --> 00:18:45.720

All right. So let's go ahead and start our rapid read. So we're gonna read that

00:18:45.720 --> 00:18:50.520

first row. So I want you guys to show me what you know. So go ahead get your

00:18:50.520 --> 00:18:59.239

pointer up. All right. I want you guys to go ahead read that first row. Three, two,

00:18:59.239 --> 00:19:01.600

one.

00:19:00.000 --> 00:19:04.000

Can't. Won't. Don't. Did it. Couldn't. Couldn't.

00:19:04.000 --> 00:19:06.500

Oh, read that first row. Don't keep going.

00:19:06.500 --> 00:19:10.000

All right, awesome. You guys did an awesome job on that first row.

00:19:10.000 --> 00:19:13.000

All right, let's move to that second row.

00:19:13.000 --> 00:19:16.000

Okay, three, two, one.

00:19:16.000 --> 00:19:19.500

Couldn't. Wouldn't. Shouldn't. Haven't.

00:19:19.500 --> 00:19:21.000

Third row.

00:19:21.000 --> 00:19:24.500

Won't. Did it. Couldn't. Shouldn't.

00:19:24.500 --> 00:19:26.000

Fourth row.

00:19:26.000 --> 00:19:29.000

Above. Enough. Thought. Against.

00:19:29.000 --> 00:19:30.000

Awesome.

00:19:30.000 --> 00:19:33.000

What's a word with that new sound in it?

00:19:33.000 --> 00:19:34.000

Can't.

00:19:34.000 --> 00:19:35.000

Can't.

00:19:35.000 --> 00:19:36.000

Awesome.

00:19:36.000 --> 00:19:39.000

Lizzie, I want you to phone another friend.

00:19:39.000 --> 00:19:42.000

Three, two, Noah.

00:19:42.000 --> 00:19:43.000

Shouldn't.

00:19:43.000 --> 00:19:45.000

Can you say it one more time?

00:19:45.000 --> 00:19:46.000

Shouldn't.

00:19:46.000 --> 00:19:47.000
Awesome.

00:19:47.000 --> 00:19:48.000
Everyone say shouldn't.

00:19:48.000 --> 00:19:49.000
Shouldn't.

00:19:49.000 --> 00:19:50.000
All right.

00:19:50.000 --> 00:19:52.000
And then Lizzie, remind me what word you said again.

00:19:52.000 --> 00:19:53.000
Couldn't.

00:19:53.000 --> 00:19:54.000
Couldn't.

00:19:54.000 --> 00:19:55.000
Everyone say couldn't.

00:19:55.000 --> 00:19:56.000
Couldn't.

00:19:56.000 --> 00:19:57.000
All right.

00:19:57.000 --> 00:20:00.000
And then three, two, one, zero.

00:20:00.000 --> 00:20:03.799
Bentley, can you give me a word with that new sound in it?

00:20:03.880 --> 00:20:06.079
Done it.

00:20:06.139 --> 00:20:09.340
Or, not done it.

00:20:09.420 --> 00:20:10.420
Let's try it again.

00:20:10.479 --> 00:20:12.479
What's that first word?

00:20:17.079 --> 00:20:18.079
What's this first word?

00:20:18.159 --> 00:20:19.159
Did.

00:20:19.219 --> 00:20:22.260
Did, and then add that to the end of it.

00:20:22.319 --> 00:20:23.819
So, not done it.

00:20:23.899 --> 00:20:24.819
Didn't.

00:20:24.899 --> 00:20:25.819
Didn't.

00:20:25.899 --> 00:20:27.159
All right, everyone say didn't.

00:20:27.239 --> 00:20:28.159
Didn't.

00:20:28.159 --> 00:20:30.020
Does anyone notice?

00:20:30.000 --> 00:20:37.920
some things that or does anyone notice something that's different maybe about

00:20:37.920 --> 00:20:42.539
the word can't that maybe you're saying well miss Jones this one's actually a

00:20:42.539 --> 00:20:51.819
little bit different does anyone notice anything different just sit right there

00:20:51.819 --> 00:20:56.020
how about this I want you guys to turn and talk to your shoulder partner about

00:20:56.020 --> 00:20:59.940
it for a little bit so what do you notice that's different about some of

00:20:59.940 --> 00:21:01.979
these

00:21:00.000 --> 00:21:08.880
words up there all right go let's rewind real fast so eyes are back up here so
I

00:21:08.880 --> 00:21:16.959
noticed that some of these words is that with this contraption of not that how

00:21:16.959 --> 00:21:22.520
about this let's work through it together so I want you guys to on your

00:21:22.520 --> 00:21:29.360
whiteboards I want you to guys to keep the word not and add the word did and

00:21:29.360 --> 00:21:32.360
let's

00:21:30.000 --> 00:21:34.440
Let's talk, or I'll explain it while I'm modeling up here.

00:21:34.440 --> 00:21:39.079
Once you're ready, give me a marker up in the air.

00:21:39.079 --> 00:21:44.680
So, with some of these words, I know can't was a little bit of an exception.

00:21:44.680 --> 00:21:52.319
So, with the word didn't, with this contraction, or contraction, with the word
didn't, you're

00:21:52.319 --> 00:21:58.600

actually just going to take out the 0 and then put the apostrophe in place of w
here

00:21:58.600 --> 00:21:59.479

the 0 is.

00:22:00.000 --> 00:22:05.840

Oh, so I want you guys to do it on your board now.

00:22:12.399 --> 00:22:14.399

Awesome

00:22:17.040 --> 00:22:23.680

Keelan's ready. Noah's ready, but he needs to have eyes on me. Awesome. Grayson
's ready.

00:22:23.680 --> 00:22:30.000

Everyone needs to be ready in three, two, one, zero.

00:22:30.000 --> 00:22:37.440

All right, so as you can see that actually in this case we're just going to tak
e out

00:22:37.440 --> 00:22:41.239

that 0 and put the apostrophe in place where that 0 is.

00:22:41.239 --> 00:22:49.639

All right, so I say, you say, take out the 0, put an apostrophe.

00:22:49.639 --> 00:22:57.600

And so as you guys can also see the N goes before the apostrophe, all right.

00:22:57.600 --> 00:23:00.079

So let's go ahead and practice on.

00:23:00.000 --> 00:23:13.260

our own. So erase your boards in 5, 4, 3, 2, 1, 0. All right. So we're going to
do

00:23:13.260 --> 00:23:18.860

some pound it, tap it, write it. If you need to write what we're working with

00:23:18.860 --> 00:23:23.680

today on the top of your whiteboard, you may. All right, let's do the word. Say

00:23:23.680 --> 00:23:28.280

can't. Can't. Pound it. Can't. Can't.

00:23:30.000 --> 00:23:41.279

Write it. I can't go to the play because I am grounded. Can't. Awesome. I see s
ome

00:23:41.279 --> 00:23:54.000

friends are following that rule. Great job. Awesome. Awesome. Say didn't. Pound
it.

00:23:54.000 --> 00:24:00.000

Didn't. Here let's try pounding it again. So I am going to model of how this sh
ould

00:24:00.000 --> 00:24:02.839

look because I feel like some friends are forgetting because maybe we still

00:24:02.839 --> 00:24:08.560

have spring break brain. I know Ms. Jones does. All right so I'll wait until al
l

00:24:08.560 --> 00:24:11.640

eyes on me because I'm in the model of how we should pound it okay and that's

00:24:11.640 --> 00:24:21.120

what I expect you guys to do next. So you will say didn't. Didn't. D-I-D-I-N-T.

00:24:21.120 --> 00:24:23.120

You try. Three, two, one.

00:24:23.120 --> 00:24:27.620

Didn't. D-I-D-I-N-T.

00:24:27.620 --> 00:24:30.100

Write it.

00:24:30.000 --> 00:24:31.000

Awesome.

00:24:31.000 --> 00:24:34.000

Cal, are you doing okay?

00:24:34.000 --> 00:24:38.000

I'm coming around to check.

00:24:38.000 --> 00:24:39.000

Beautiful.

00:24:39.000 --> 00:24:40.000

Lovely.

00:24:40.000 --> 00:24:41.000

Awesome.

00:24:41.000 --> 00:24:50.000

Making sure we're showing me you're ready and not doodling.

00:24:51.000 --> 00:24:52.000

I'm coming around to check.

00:24:52.000 --> 00:24:53.000

Beautiful.

00:24:53.000 --> 00:24:54.000

Lovely.

00:24:54.000 --> 00:24:55.000

Awesome.

00:24:55.000 --> 00:25:00.000

Making sure we're showing me you're ready and not doodling.

00:25:00.000 --> 00:25:11.239

All right next word. Oh sorry. All right so say shouldn't. Shouldn't. I just wa
nt you

00:25:11.239 --> 00:25:24.200

guys what's that root word? Should. So pound should. I want you guys to start

00:25:24.200 --> 00:25:27.920
off by writing that one then we'll add the contraction on in a little bit. Now

00:25:27.920 --> 00:25:31.360
think of the word should.

00:25:30.000 --> 00:25:38.119
There is a sound that you don't hear in there, so really, I'm going to come around and look

00:25:38.119 --> 00:25:41.119
at some friends.

00:25:41.119 --> 00:25:58.639
Awesome, awesome, there should be another vowel there.

00:26:00.000 --> 00:26:06.599
All right now I want you guys to add on the contraction. So change should to

00:26:06.599 --> 00:26:16.639
should dent. Add on the contraction. So what do we do to make it should dent?

00:26:16.639 --> 00:26:24.000
Awesome. What do we do to make it should dent?

00:26:24.000 --> 00:26:31.879
Awesome. Now I want you to think about it. It should be should.

00:26:30.000 --> 00:26:42.039
not. So, what do we do with not to make it a contraction? Awesome, awesome.

00:26:42.039 --> 00:26:51.040
Alright, since we are running low on time, I'm gonna go ahead, I know we didn't do all

00:26:51.040 --> 00:26:55.879
of them, but I'm gonna go ahead and show some of the words that we just did. I want you

00:26:55.879 --> 00:27:00.040
to take some time, and I want you to make sure that your board looks like mine.

00:27:00.000 --> 00:27:04.000
I know we did not do the last word, so I'm going to repeat what I just said again.

00:27:04.000 --> 00:27:08.000
I know that we did not do all the words, but I want you to take the time to look up there

00:27:08.000 --> 00:27:13.000
to make sure the words that we did do look like mine.

00:27:13.000 --> 00:27:19.000
So as you can see, should dent, you add on that contraction at the end.

00:27:19.000 --> 00:27:23.000
Remember, you're just replacing that O with an apostrophe.

00:27:23.000 --> 00:27:29.000

So once your board looks like mine, go ahead and give me a marker up in the air .

00:27:29.000 --> 00:27:30.000
All right, go ahead.

00:27:30.000 --> 00:27:59.760
ahead and erase your boards. In 5, 4, 3, 2, 1, 0. I say, you say. I say, you say. You shouldn't go there. You shouldn't go there. You shouldn't go there. You shouldn't go there. Let's count our words. You shouldn't go there. Awesome. How many words, friends? Four. All right, do your four lines. In 10, 9,

00:27:59.760 --> 00:28:00.000
8, 7, 6, 5, 4, 3, 2, 1.

00:28:00.000 --> 00:28:14.000
nine, eight, seven, six, five, four, three, two, one, zero.

00:28:14.000 --> 00:28:16.139
All right, you almost done?

00:28:16.139 --> 00:28:18.680
All right, remember we, these are just lines.

00:28:18.680 --> 00:28:20.639
It should not take us longer than,

00:28:20.639 --> 00:28:22.440
or it should not take us too long to do this.

00:28:22.440 --> 00:28:25.579
All right, all right, so, it seems like everyone's ready.

00:28:25.579 --> 00:28:27.020
I'm looking around, making sure.

00:28:27.020 --> 00:28:28.920
All right, go ahead, I want you to say your sentence

00:28:28.920 --> 00:28:30.920
while pointing or counting.

00:28:30.000 --> 00:28:34.000
or pointing at your lines. In three, two, one.

00:28:34.000 --> 00:28:36.500
You shouldn't go there.

00:28:36.500 --> 00:28:38.500
Awesome. Say it one more time.

00:28:38.500 --> 00:28:41.000
You shouldn't go there.

00:28:41.000 --> 00:28:44.000
All right. I'm going to give you one minute to go ahead

00:28:44.000 --> 00:28:46.000
and now write your sentence.

00:28:46.000 --> 00:28:49.000
You shouldn't go there.

00:28:55.000 --> 00:28:58.000

Think about what type of there you're working with.

00:29:00.000 --> 00:29:07.960

I love how Parker, she, see that she, you remember that contraction, removing that vowel

00:29:07.960 --> 00:29:10.479

and then replacing it with an apostrophe?

00:29:10.479 --> 00:29:11.479

Awesome.

00:29:11.479 --> 00:29:14.720

All right, Ms. Jones put her sentence back up on the board.

00:29:14.720 --> 00:29:15.720

So I want you to look.

00:29:15.720 --> 00:29:17.959

Does your sentence look like mine?

00:29:17.959 --> 00:29:21.959

If it does, give me a marker up, but if it doesn't, I want you to take some time, look

00:29:21.959 --> 00:29:23.399

at my sentence.

00:29:23.399 --> 00:29:27.120

If it doesn't, what do you need to change to make it look like mine?

00:29:27.120 --> 00:29:29.559

So I want you to look at that word again.

00:29:30.000 --> 00:29:39.880

I want you to really look at what we what I wrote like again I'm gonna repeat

00:29:39.880 --> 00:29:45.460

what I just said earlier it's not my job to come by to check your work is you

00:29:45.460 --> 00:29:49.620

should be taking that initiative okay so taking that initiative check over your

00:29:49.620 --> 00:29:53.520

work because there's some friends who do have a marker up which I appreciate but

00:29:53.520 --> 00:29:58.200

they are in fact not ready because their board does not look like mine

00:30:00.000 --> 00:30:15.600

All right everyone needs to be ready to go in 10, 9, 8, 7, 6, 5, 4, 3, 2, all right

00:30:15.600 --> 00:30:20.719

everyone's ready. All right friends so let's go ahead and get started on our

00:30:20.719 --> 00:30:26.239

decodable. So Miss Jones does have a new decodable this week. I'm gonna pass that

00:30:26.239 --> 00:30:31.840

out and then I want you to go ahead and put your whiteboard marker.

00:30:30.000 --> 00:30:39.279

an eraser away. When you do get a decodable, as you can see, I put the word contractions up on

00:30:39.279 --> 00:30:44.960

the top because that is what you are looking for today. All right, so I'm going to begin by reading

00:30:44.960 --> 00:30:52.239

our decodable while some friends get caught up. So I want you guys to find, well, I guess we,

00:30:52.239 --> 00:30:57.680

you know, we're not going to just read this, this one line. So I'm going to read actually the first

00:30:57.680 --> 00:31:00.239

two paragraphs. I want you to follow.

00:31:00.000 --> 00:31:03.900

along and I want you to see if you can find those contractions we've been

00:31:03.900 --> 00:31:10.100

working with over the past couple of days. So everyone is ready? You're gonna

00:31:10.100 --> 00:31:14.739

start at that word we and I want you to follow along while Miss Jones reads and

00:31:14.739 --> 00:31:18.420

then you're gonna get some time to practice. So I'm looking around is

00:31:18.420 --> 00:31:24.780

everyone looking like they're ready but I supposed to be on your paper. All right.

00:31:24.780 --> 00:31:31.719

We all sat by the campfire. Hank told a tall tale.

00:31:30.000 --> 00:31:39.199

tail that went like this. My pal and I went for a walk up the hills just off there and

00:31:39.199 --> 00:31:49.319

we saw an old, old shack. On it was a note that said, don't you dare come in here. We

00:31:49.319 --> 00:31:57.840

knew we shouldn't go inside, but my pal and I wanted to take a quick look. Let me give

00:31:57.840 --> 00:32:00.000

you a couple of seconds. I want to see which ones you like.

00:32:00.000 --> 00:32:05.679

guys find. All right, let's call some friends. Mia, I want you to go up there,

00:32:05.679 --> 00:32:13.359

help me out, circle that contraction you found, and I also want Samira to go up

00:32:13.359 --> 00:32:17.520

and show me a contraction you found on your paper.

00:32:17.520 --> 00:32:31.120

All right, Mia, tell us what contraction you found, but say into the mic.

00:32:30.000 --> 00:32:32.000

What contraction did you circle up there?

00:32:32.000 --> 00:32:33.000

Don't.

00:32:33.000 --> 00:32:34.000

Don't.

00:32:34.000 --> 00:32:35.000

Everyone say don't.

00:32:35.000 --> 00:32:36.000

Don't.

00:32:36.000 --> 00:32:38.000

What contraction did you circle up there, Samira?

00:32:38.000 --> 00:32:39.000

Shouldn't.

00:32:39.000 --> 00:32:40.000

Shouldn't.

00:32:40.000 --> 00:32:41.000

Everyone say shouldn't.

00:32:41.000 --> 00:32:42.000

Shouldn't.

00:32:42.000 --> 00:32:43.000

All right.

00:32:43.000 --> 00:32:44.000

Did we get all of them?

00:32:44.000 --> 00:32:45.000

Give me a thumbs up.

00:32:45.000 --> 00:32:46.000

All right.

00:32:46.000 --> 00:32:47.000

Here's what I want you to do now.

00:32:47.000 --> 00:32:48.000

I want you to show me what you know.

00:32:48.000 --> 00:32:52.000

So I'm going to say you and your partner are going to read the first or the next three.

00:32:52.000 --> 00:32:57.000

So you should start with that word I, and then you should end at like the end of the picture.

00:32:57.000 --> 00:32:59.000

So don't go on to these.

00:32:59.000 --> 00:33:00.000

We're just going to...

00:33:00.000 --> 00:33:04.400

this little section right here. I want you to do that with your shoulder partner. So point to your

00:33:04.400 --> 00:33:11.279

shoulder partner. Point to your shoulder partner. And then point to my partner talks poster.

00:33:12.479 --> 00:33:18.559

Point back to your partner. Say, I am working with you. I am working with you. All right,

00:33:18.559 --> 00:33:23.600

go ahead. I'm going to give you guys one minute or about two minutes to go ahead and read the

00:33:23.600 --> 00:33:29.920

next section. All right. Jeremiah, help me out. I want you to

00:33:30.000 --> 00:33:32.880

go circle a contraction you found in the next couple paragraphs.

00:33:32.880 --> 00:33:36.239

Laisha go help me out. Also I want you to circle a contraction.

00:33:36.239 --> 00:33:40.000

All right making sure you have the same up there. Let's see.

00:33:40.000 --> 00:33:44.479

Do my or my teacher friends helping me or do they have the right words that

00:33:44.479 --> 00:33:48.799

they're circling? Also too if you do need to bring up your

00:33:48.799 --> 00:33:52.559

paper bring it up. All right it looks like I'm

00:33:52.559 --> 00:33:56.639

gonna need a couple more friends so Bentley go circle one.

00:33:56.639 --> 00:34:01.760

Lizzie go circle one. All right.

00:34:00.000 --> 00:34:03.920

I want you guys. Are you guys checking? Let's see. I do see one more.

00:34:03.920 --> 00:34:08.239

Let's see. I think Lizzie might have to check to see if we got all of them.

00:34:11.039 --> 00:34:18.159

Awesome. Great job. I love how Bentley took his time to make sure it was that right one.

00:34:18.159 --> 00:34:24.319

All right, Lizzie. I see that. I mean, friends, do we have all of them in that

one section?

00:34:24.319 --> 00:34:29.120

Or do we need more? Lizzie, are you checking? Let us know. Do we got all of the m, Lizzie?

00:34:30.000 --> 00:34:37.440

Lizzie says are you sure or you think? Did you look over it? Here look over it

00:34:37.440 --> 00:34:41.479

again make sure. All right I want you to make sure on your paper do you have al
l

00:34:41.479 --> 00:34:47.520

of them in that section and if you do go ahead give me a thumbs up. Awesome

00:34:47.520 --> 00:34:56.280

Kiana's ready. Grayson's ready. All right Lizzie says yes we are for a go. So d
o

00:34:56.280 --> 00:35:02.000

you agree? All right once your paper looks like

00:35:00.000 --> 00:35:03.000

go ahead and give me a thumbs up.
